ABSTRACT

This booklet is a compilation of statistical data relating to professional education associations in the 50 states, the District of Columbia, and Puerto Rico, as well as the Overseas Education Association. The various tables are intended to provide a concise overview of the goals, programs, policies, and practices of state education associations. Statistical data are classified under eight major headings, including association membership and dues, association structure, headquarters organization and staff relationships, staff fringe benefits, association travel provisions, association publications, locals and other affiliates, association programs, and association committees and commissions. PREFACE

Profiles of State Associations is a compilation of statistical data relating to professional education associations in the fifty states, District of Columbia-NEA, the Overseas Education Association and the Asociación de Maestros de Puerto Rico.

Published annually, as a joint project of the National Education Association and the National Council of State Education Associations, this document is designed to serve as a quick reference for those who work with the United Teaching Profession.

The information contained herein is classified under eight major headings.

It is hoped that these statistics will be helpful in providing a concise overview of the goals, programs, policies, and practices of state associations.
